

# GIBRALTAR

## Wroughton ASC Training Camp

*Gibraltar is ready for us.....*

### *EHIC's*

If you haven't already done so, it's time to apply for your EHIC card which is available free of charge from the NHS. I suggest you log on to the EHIC web site - [www.EHIC.org.uk](http://www.EHIC.org.uk) - you will find all the information you need and there is a link to the short application form on-line, which only takes a few minutes. After completion, the card will be sent to you through the post.

### *Passports*

Although Gibraltar is truly British, with British currency, policemen and red telephone boxes, you will still need a passport to enter Gibraltar. If you have a passport issued by anyone other than the UK, I need to know - please give me a ring as we may need to arrange an entry visa or permit.

Most of you will already have a passport, but can you please check that the expiry date is *after* 31<sup>st</sup> December '16. You may need to renew. If you are applying for a passport for the first time, there are a number of options - look at their web site for some guidance. The earlier you do it the cheaper it is:

### *Money*

The schedule of payments was outlined in the original Newsletter. If you have not already set up standing orders, please make arrangements to do so asap. We have payment schedules to meet with suppliers in Gibraltar and in the UK. If you prefer to pay by cheque, please make cheques payable to '*Wroughton ASC Training Camp*' - & send to me at 94 Bath Road, Swindon SN1 4AY or pay direct to our Training Camp Bank Account:

**HSBC Bank: Sort Code: 40-43-35**

**Account Number: 11416294**

**Account Name: Wroughton ASC Training Camp**

### *Elliott Hotel*

I visited the hotel last week when Sandra & I were on a brief holiday in Gibraltar and managed to meet the staff we will be dealing with and finalised rooming lists and boring things like contracts. We will be eating in the hotel on the first night so need to ask the question - anyone with any eating preferences e.g. vegetarian - not a problem but we will need to know.

### *GASA*

We also visited our friends at GASA and have finalised our pool time. After an early breakfast at 07:30 (not as bad as EMT) - our first session will be at 09:00 until 11:00, with another afternoon session from 15:00 to 17:00 - except on the Wednesday when we will have a mini League match with GASA. This leaves us some time to do some touristy things and of course eat !
