

GIBRALTAR

Wroughton ASC Training Camp

Gibraltar here we come.....

It's not long now - a little over 6 weeks until we leave. All the necessary arrangements are well in hand with Monarch, the Hotel and our friends at GASA. We will have a final meeting to share all the detailed plans, so that swimmers and parents know what to expect.

In the mean-time if there are any questions, please do not hesitate to contact me - no matter how trivial they might appear.

Meeting

Our final meeting, before we leave will be held at Ridgeway School on Wednesday 5th October '16 at 7:00pm - it would be useful for all the swimmers and parents to attend.

It's important that you bring passports & EH1C's to the meeting so that we can check everything thoroughly for ticketing etc. and arrange for everything to be photo copied.

Insurance

The necessary insurance has now been put in place - the full details of the cover provided can be found on the Club's Web Site (under the Training Camp) tab. If anyone would like a full copy of the policy, please let me know.

Money things

As you might expect, we have many bills to settle before we leave, so please ensure everything is paid promptly in line with the original agreement.

The only extra the swimmers will need to pay for is drinks (other than bottled water which we will fund). We are recommending that they have access to a maximum of £50 spending money. We would rather they didn't have access to any bank cards - it's a risk the Club are not willing to take.

The Club Bank will be open for business every day, so if you would like to bring cash to the meeting it can be lodged with Dave Jones who will be dealing with the bank. English money is used - so that's really easy !

Transport to Birmingham International

Everyone at the last meeting was keen for the Club to arrange transport to and from the Airport - so we have done just that. The Club will be subsidising the cost - but we will need a cheque for £15 (payable to Wroughton ASC), brought to the parent's meeting.

The detailed timings will be released at the meeting.

What will you need ?

- ✓ Swimming Costumes - minimum of 3 to train in. (If you have an expensive suit you race in, keep it for the Gala against Gibraltar.)
- ✓ Towels - minimum of 3
- ✓ Chamois
- ✓ Goggles & spare goggles
- ✓ Named Club Hats
- ✓ Something very waterproof - if it rains in Gib it rains.....
- ✓ Any medication needed - more about that later
- ✓ Anything to keep you busy on the plane
